

Are you a dynamic Licensed Acupuncturist looking to grow your practice in a supportive, full-service clinic environment? Meridian Acupuncture and TCM Concierge are expanding and seeking a dedicated practitioner to join our team in the Nashville/Middle Tennessee area.

The Opportunity:

Join a clinic that offers a wide spectrum of services, from high-volume community-style acupuncture in our "Meridian Room" to advanced private room treatments and specialized concierge services like telehealth herbal and wellness consultations to advanced cosmetic procedures.

We are committed to building success with the right candidate who is looking for somewhere to grow and learn alongside other acupuncturists in a group practice environment.

Flexible Compensation: We offer highly competitive, production-based commission only contract models as well as hourly rates (\$25-30/hr plus commission)

Comprehensive Benefits: Full-time and Part-time employees receive paid time off (PTO) or compensation for Continuing Education Units (CEUs) after 6 months of employment. We also cover malpractice insurance and offer unlimited acupuncture and cupping services at our office.

We are actively pursuing VA credentialing and are in-network with major insurance providers like BCBS TN and UHC so knowledge of insurance processing is a plus but not necessary.

Preferred Experience (A Plus):

- Experience in high-volume or community-style practice settings.
- Proficiency in advanced modalities such as cupping/gua sha and trigger point pain management
- Aesthetic or cosmetic acupuncture experience
- Microneedling
- Advanced Herbal Degree or certification
- Knowledge of lab interpretation and functional medicine

Requirements:

Must hold a valid Tennessee L.Ac license or NCCAOM Dipl. Ac Certification
