# We're Hiring

## Licensed Acupuncturist

### Part or Full Time

#### Position Details

We're looking for a part or full time acupuncturist to join our practice either permanently or temporarily to provide maternity leave coverage. We are open to experienced or new graduate practitioners.

For maternity leave coverage, we would require this individual to start in late July or early August in order to receive training on our EHR, practice policies and to familiarize yourself with our patients. Our practitioner is expected to take leave beginning in September. For a permanent employee, we would like them to start no later than July, but are open to earlier start dates.

This would be a **W2 position** and compensation would be discussed based on qualifications, experience, desired workflow and hours.

#### About the Clinic
