

Job description

Hendersonville Acupuncture and Wellness, located in Hendersonville, NC, is searching for an acupuncture associate to join our clinical practice.

- The successful applicant will be NCCAOM certified in Acupuncture and/or OM.
- Chinese Herbal medicine a plus.
- Knowledge of working with Jane (EMR) for charting, scheduling, checking out patients a plus.
- Candidates must have the ability to work in a harmonious clinic atmosphere with other clinicians and be confident in working alone, depending on the day.
- Applicants should be able to handle a busy schedule with a focus on high level of healing.
- Prior experience in working in a clinic setting as practitioner or as an intern is required.
- While we try to give each practitioner their ideal schedule, the successful candidate must be willing to work some weekends and evening hours on a rotating basis.

About us:

The clinic is open Monday through Saturday

We are one of few clinics in the area with multiple practitioners and we are located in a building where we share space with a well-established yoga and massage business. This translates into a steady stream of referrals.

While we handle most scheduling ourselves, there is front desk support and a lovely waiting area for patients.

Position available in Fall/Winter 2025

Job Type: Part-time to Full-time - Split Commission
