

Job description

[Palmetto Acupuncture and Holistic Health Clinic](#) in Columbia, South Carolina is searching for an Acupuncturist who will practice in a well-established clinic.

- The successful applicant will be NCCAOM certified in Acupuncture and/or OM.
- Chinese Herbal medicine a plus.
- Selected candidates will be mentored in a harmonious clinic atmosphere by those who have years of experience while having the freedom to develop their own unique style.
- Current practitioners focus on a high level of healing and see 25-50 patients in 30-40 hours per week and usually earn between \$50,000 – \$140,000 per year.
- The successful applicant should be able to handle a busy schedule but will be free to focus on their Acupuncture practice. Our staff makes it easy to hone your skills while the staff is focusing on scheduling, point of sale, herbal inventory, room cleaning, linens and other tasks.
- Our clinic takes very little insurance and is mostly credit card pay.
- All levels of experience are welcomed to apply!

Position will be available in Summer 2025

Job Type: Full-time - Split Commission

Salary Range: \$50,000.00 - \$140,000.00 per year as a percentage of revenue.

Not local to Columbia? Well, why not?

Did you know:

- Columbia is a top Southeastern US city
- It's warm! The average high is 92 degrees in July and 55 degrees in January.
- It's fun! Columbia offers tons of weekend festivals, the Columbia Museum of Art, the University of South Carolina Gamecocks, an abundance of fishing spots, concerts galore and a short driving distance from Charleston, Charlotte, Myrtle Beach and Savannah.
- It's great for your wallet! Columbia has a low cost of living, low home prices and a strong economy.
