

# **Job Opportunity: Acupuncturist – 1099 Contractor at Holistic Point (Wilmington, NC)**

## **Role Summary:**

The ideal candidate will be professional, dependable, and passionate about the healing power of acupuncture. You'll provide treatments to a variety of patients, focusing on individualized care plans and wellness education. This is a great opportunity for a practitioner who values flexibility, collaboration, and a calm clinical environment.

## **Responsibilities:**

- Provide individualized acupuncture treatments based on traditional Chinese medicine principles.
- Conduct thorough patient intakes and develop customized treatment plans.
- Maintain accurate and detailed clinical records in compliance with HIPAA standards.
- Foster trust and comfort with patients through excellent communication and bedside manner.
- Educate patients on wellness and lifestyle practices to support their ongoing health and well-being.

## **Qualifications:**

- Current and valid North Carolina Acupuncture License
- Malpractice insurance (required)
- Minimum 1 year of clinical experience preferred (new grads welcome to apply)
- Excellent communication and patient relationship skills
- Comfortable with basic technology (electronic charting, online booking systems)

## **Preferred Traits:**

- Interest in integrative and holistic healthcare
- Familiarity with modalities such as cupping, gua sha, and moxibustion
- Willingness to work 1–2 shifts per week, with potential to grow hours over time

## **What We Offer:**

- Beautiful, calm clinic environment
- Flexible scheduling
- Established patient base

- Administrative support
- Opportunity to grow your patient load

**To Apply:**

Please submit your resume and a brief cover letter through Indeed outlining your experience and interest in this position. We look forward to learning more about you!

Job Type: Part-time

Pay: \$40.00 - \$60.00 per hour
