We are looking to add another Chinese Medicine practitioner to our growing practice!

Our practice is located in the heart of downtown Rutherfordton, NC with a growing acupuncture and alternative medicine community. We are a family practice that provides general medicine to address all manner of conditions in all ages. The ideal candidate is someone who is curious, open minded, and wanting to deepen their skills through collaborative education.

Opportunities:

- Start with a working internship to shadow, build comfort, learn new skills, and become familiar with our procedures and practices
- Collaborate with other practitioners who use Classical 5 channel system approach as well as having trained in various modalities in the field
- Full herbal pharmacy with over 300 Chinese Raw Herbs along with Pao Zhi preparation, house made liniments, in house herbal capsulation, and various patent prescriptions.
- Essential Oil pharmacy to make custom blends for patients
- increased pay opportunities

Qualifications:

- Must be licensed to practice Acupuncture and Herbal Medicine by NCALB
- Willing to work at least 3 days per week
- Preference for practitioners with additional training in the field
- Willingness to embody virtues of a Chinese Medicine Practitioner
- Communicate effectively with Clinic team and organize charting from treatments efficiently
