

LifeThyme Wellness in Bermuda is hiring a personable and knowledgeable licensed Acupuncturist who is motivated to help us fulfill our ongoing mission of offering quality holistic care to our community.

We are located on a beautiful island in a busy health and wellness center offering acupuncture, massage, and nutrition therapy. Visit www.lifethymewellness.com for more information. We offer a positive, supportive, and drama-free environment. Our values are kindness, compassion, honesty, and inclusivity.

Clinical Skills and Knowledge Required:

- Graduate of a school accredited by the Accreditation Commission for Acupuncture and Oriental Medicine (ACAOM) and/or equivalent training in an approved acupuncture tutorial program/apprenticeship. NCCAOM Board Certification is required. Completion of a Doctoral program would be an asset.
- Acupuncture and Chinese medical care for conditions in internal medicine, orthopedics, women's health, autoimmune issues, and emotional wellness.
- Ability to explain acupuncture in Western medical terms so patients can understand the treatment.
- Ability to create a treatment plan for each patient.
- Ability to work independently, autonomously, and in coordination with other practitioners in the office.
- Ability to run two treatment rooms at once.
- Certification in acupuncture injection therapy is a plus.
- Preference is given to those practitioners with a massage background.

Additional non-negotiable essentials for this job include:

- Punctuality
- Reliability
- Positive attitude
- One who is open and eager to learn new things
- Good Communicator (timely emails and phone responses) - with both patients and co-workers
- Willingness and ability to operate online scheduling and payment systems

How will LifeThyme Wellness support me as an Acupuncture Physician?

- Work-life balance offered with a schedule 5 days per week/40 hours
- Pay to include base plus progressive percentage (range \$90,000 - \$120,000)
- Health insurance
- Relocation assistance
- Working on a beautiful island with many holistic/complementary healthcare providers

Serious inquires only
