

2024-2025 Tuition and Fees

The tuition and fees listed apply to the **2024-2025** academic year. Tuition rates are set annually and are subject to change. All fees are subject to change with a 90-day notice. All fees, books, and supplies are non-refundable. MAHM, Dual Enrollment, and DAHM tuition payments are due July 15 for fall and January 10 for spring. CCHM tuition payments are due prior to the start of each term.

Student accounts must remain current in order to attend classes each semester. Late fees are charged monthly for any unpaid balance and will continue to be assessed each subsequent month until the balance is paid. Late fees are \$10 for balances \$50 or less; \$25 for balances \$51-\$1,700; and 1.5% for balances over \$1700. Unpaid balances may be referred to collections. The college reserves the right to dismiss any student who does not meet the stated financial requirements. Unpaid balances may be referred to collections.

Master of Acupuncture and Herbal Medicine (MAHM) Program

Acceptance Fee (separate from tuition) \$500.00

MAHM Tuition

Full-time (at least 18 credits per semester) \$10,500.00 per semester/annual charge of \$21,000.00
Less than full-time (below 18 credits per semester) \$550.00 per credit

Students repeating courses or enrolling in courses in addition to the full-time semester curriculum for their cohort incur a charge of \$550.00 per credit for the extra courses in addition to full-time tuition. The additional charges are capped at \$4000.00 for students transferring in one year of credits and \$1500.00 for transferring one semester.

Non-Degree Seeking Students are charged the per credit tuition rate and a Learning Resource and Technology fee of \$50 per semester.

¹ Students must be insured under the DT malpractice insurance policy for the duration of the MAHM and DAHM programs. Insurance coverage is for all skills courses and clinic. CCHM students must be insured under the DT malpractice insurance policy during Term 3 Clinical Internship.

² Enhances the College's student learning resources and increases our capacity to meet digital environment expectations

³ Graduation fee covers records audit for completeness and accuracy prior to graduation, preparation and printing of diploma, and standard administrative assistance with obtaining certification and licensure. Also covers domestic shipping of diplomas for students who do not live locally and do not attend graduation.

⁴ Repeating Clinical Internship courses due to course failure. Fee is in addition to the tuition charge for the course(s).

⁵ Additional clinic shifts outside of the internship curriculum for students needing additional hours to complete patient/hours requirements or for those wanting further clinic opportunities which require additional clinic staffing.

⁶ Additional clinic shifts to cover vacation times or for further clinic opportunities within internship which do not require additional clinic staffing.

⁷ Transfer students who have received a tuition reduction for a given semester may audit courses in that semester's curriculum for the reduced per credit fee. See Student Handbook for policy.

⁸ Enrollment extension to complete program requirements.
