The College reserves the right to make changes to the college calendar and academic calendar as necessary.

MAHM/Dual: New Student Orientation is mandatory for all new MAHM/dually enrolled students. Semester Orientation is held the Friday prior to the first day of classes each semester. Attendance at these all-school meetings is mandatory. See course syllabi for specific online and in-person class dates, including schedule adjustments for the DAHM exclusive class week. MAHM summer classes are held following years two and three. MAHM Clinical Internship sessions run 42-46 weeks per year and interns have shorter breaks between semesters. DAHM courses for dually enrolled students begin in semester 3. *Also see DAHM.*

DAHM: DAHM online classes typically begin before MAHM classes. Approximately 6 weeks earlier in summer/fall and 3 weeks earlier in the spring semester. Class start dates are announced prior to each semester. The DAHM program includes one week of required in-person classes.

CCHM: The CCHM program operates on a separate class schedule and calendar. Refer to the website for details.
