

Rutherford Family Acupuncture

Part-time and Full-time positions available immediately.

We are looking to add another Chinese Medicine practitioner to our growing practice! Our practice is located in the heart of downtown Rutherfordton, NC where there is a great need for acupuncture and alternative medicine in the community. We are a family practice that provides general medicine to address all manner of conditions in all ages. The ideal candidate is someone who is fiercely curious, open minded, and wanting to deepen their skills through collaborative feedback and education.

Opportunities:

- Start with a 2-week working internship to shadow, build comfort, learn new skills, and become familiar with our procedures and practices
- Grow your skills and knowledge through educational opportunities with our clinic staff
- Collaborate with other practitioners who use Classical 5 channel system approach as well as having trained in various modalities in the field from teachers such as: Jeffrey Yuen, Evan Rabinowitz, Damo Mitchell, Heiner Fruehauf, Kiiko Matsumoto, Julie-ann & Andrew Nugent-Head, and more
- **Full herbal pharmacy with over 300 Chinese Raw Herbs along with Pao Zhi preparation, house made liniments and salves, in house herbal capsulation, and various patent prescriptions.**
- Essential Oil pharmacy to make custom blends for patients
- Flexible schedule with increased commission pay opportunities as your books fill
- Marketing assistance done for you by our clinic staff

Qualifications:

- Must be licensed to practice Acupuncture and Herbal Medicine by NCALB
- Preference for practitioners with additional training in the field
- Willingness to embody virtues of a Chinese Medicine Practitioner, and ideally have a personal cultivation practice
- Communicate effectively with Clinic team and organize charting from treatments efficiently
