Full Time Associate Acupuncturist

Balanced You Clinic is looking to add a full time associate acupuncturist to our team. We are a holistic clinic located within Bearden in Knoxville, TN. Our mission is to offer the highest quality care with practitioners who have a passion for helping individuals and the community. We are a collaborative team with supportive office staff so our practitioners can primarily focus on patient care. Founded in 2010, Balanced You Clinic continues to grow in the community with a focus on providing excellent integrative care with a client-focus on whole health.

We are seeking a full time associate acupuncturist that would be willing to offer late-afternoon, evening, and weekend hours to accommodate our patients who need after-work and weekend appointments. Our aim is to work as a team to offer the highest quality care. We require a 60-day trial period to ensure we are a good fit for each other. All of our practitioners are independent contractors. New graduates and/or experienced professionals are welcome to apply.

Qualified Candidates:

- NCCAOM certified in Acupuncture or Oriental Medicine
- Licensed in the state of Tennessee (or able to obtain a license in Tennessee)
- Graduated from an accredited acupuncture school with a master's or doctorate degree
- Possess current 1 million/3 million malpractice insurance
- Fluent in English language
- Practices safely according to clean needle technique, clinic standards, and TN state law
- Willing to submit to a background check
- Functions well independently and also as part of a team

Role:

- Participates in Balanced You Clinic training and meetings
- Works collaboratively with our team to perform clinical assessments and develop treatment plans (when appropriate); supports clinic processes
- Contributes to patient retention and re-activation tasks
- Completes an accurate and thorough progress notes including relevant ICD-10 & 11/CPT codes
- Safeguards client confidentiality according to clinic policy and HIPAA laws
- Cultivates and maintains professional and ethical relationships with patients by providing excellent patient-centered care
