

Thriving Acupuncture Practice for Sale in Bismarck, ND

Established, High-Margin, Turnkey, All-Cash, Opportunity for Growth

Hello, My name is Marilyn Sjaastad LAc. In the last few years, I've been inching toward retirement, and now I am ready to pass the torch. For the past two years, I have been seeing patients only 2 days/week. I have a long waiting list and very loyal client base. Bismarck and North Dakota as a whole is a community hungry for Acupuncture and Chinese Medicine. It is an opportunity for a purchaser, because they are paying for a two day/week practice, but could easily step in and open 5 days/week getting a return on their investment in no time.

The clinic has a large comfortable waiting room, two fully furnished treatment rooms, with a third treatment room available (currently used as an office), a complete loose herb pharmacy, a complete patent herb pharmacy, a washer/dryer, workroom, sink and plenty of storage space.

For more information, please email: marilyn@jadescreenclinic.com or call: 701-223-9632.
