

ACU CHATT ACUPUNCTURIST JOB POSTING

Position: Acupuncturist

Location: Chattanooga, TN

When: Immediate Start Options

As an Acupuncturist at Acu Chatt, you will be working with a positive and knowledgeable team to fulfill our mission to help patients live their lives pain free. We provide private treatments for our patients, including acupuncture, cupping, and Chinese herbal medicine, as well as some modern medical therapies including ATP therapy and O3 Therapy.

Our practitioners must be comfortable practicing as an integrative therapy with local medical professionals. Our office sees a wide variety of conditions, including musculoskeletal pain, neuropathies, fertility, and chronic conditions. We are primarily a TCM style office, and experience with these treatments is a plus.

Your primary goal will be to make sure the patients feel comfortable, and to continue their treatment plans so they reach the desired results discussed at their initial consultation. You will be responsible for keeping accurate records, communicating with team members, and providing safe and effective treatment.

This is a permanent position. Our practitioners see multiple patients per hour with the help of support staff, and our clinic averages 75+ treatments per week. Our practitioners can expect to make between 60-100k annually and additional benefits dependent on availability to work.

We want to invest in our new team member, and are happy to train the right candidate to fit well within our clinic framework. This will include everything from how we do initial consults to seeing multiple patients.
