

## **Acupuncturist- Gettysburg, PA**

The East Coast Institute of Medical Qigong is seeking a Licensed Acupuncturist to join a busy practice in the beautiful rural college town of Gettysburg, PA.

We are seeking an acupuncturist who practices Traditional Chinese Medicine. Excellent opportunity for a new graduate or practitioner seeking to expand multiple rooms. Potential earnings 80-100k yearly. Current Acupuncturist makes over 100k working only 2 days in clinic (3 treatments rooms). Current L.Ac. is looking to downsize acupuncture practice as Medical Qigong certification course teaching has grown.

Must have valid Acupuncture PA state license, will take out of state applicants with the intention to become licensed in PA within a few months.

The clinic is beautiful, right near the center of town, has 3 treatment rooms fully furnished (music, heat lamps, needles, lighting, tables, pillows, etc). There's a large waiting room with a yoga/qigong/tai chi studio for classes. Great opportunity for growth, community needs more acupuncturists!

To apply, please submit your resume and cover letter highlighting your experience, qualifications and any clinical specialties you possess to [AcuTed@gmail.com](mailto:AcuTed@gmail.com) We eagerly await your application for this rewarding opportunity!
