ACUPUNCTURIST OPENING - JOIN US IN CHARLESTON, SC!

Blue Heron Acupuncture offers a nurturing, inspiring space for personalized care and deep healing. While we are a general practice, we do find ourselves most commonly supporting patients with women's health, fertility, pain relief, headaches, digestive issues, autoimmune conditions, trauma resilience and emotional wellness. We are passionate about providing exceptional and thoughtful care that is heart-centered, result-oriented and patient-driven.

A little about Charleston: Charleston is a lovely city that has gained tremendous acclaim in recent years for its beaches, beauty, food, historic attractions, and outdoor activities. It's the perfect town for someone who likes to be near the water and doesn't mind hot summers.

Located at the border between downtown Charleston and North Charleston, Blue Heron is conveniently situated for patients coming from all parts of town. Our clinic is a beautiful, healing space that promotes relaxation and inspiration while our practitioners provide the highest quality care.

Who We Are Looking For:

We are currently seeking a kind, thoughtful and detail-oriented acupuncturist to join our small team. Most importantly, we are interested in your unique spirit, skills and perspective and how those will contribute to who we are and what we do. This is a place for you to blossom as a practitioner. We will help spread the word for any conditions with which you are especially interested in supporting patients. We would ideally like a practitioner who will make this their home for at least several years.

The position will begin with part-time hours and we are happy to explore full time hours once initial hours fill. We have a strong reputation in our community for exceptional care with a steady inflow of new patients, and your schedule should fill quickly.

Join our practice to see wonderful patients and experience fantastic earning potential!

What You'll Do:

- Provide personalized acupuncture treatments that encourage deep relaxation and healing for patients
- Maintain patient charts with accuracy, confidentiality and timeliness
- Use Jane app for electronic charting, scheduling patients and taking payment
- Establish a warm rapport with patients and participate in patient retention efforts
- Practice clean needle technique
- Carry acupuncture malpractice insurance
- Refer patients to other health and wellness providers when appropriate
- Work collaboratively with our team to deliver a rich and impactful experience for patients
- Help maintain a clean and peaceful space

The Ideal Applicant:

- South Carolina acupuncture license (or eligibility to obtain)
- NCCAOM certification (required for SC license)
- You may be new to practice, have years of experience, or be anywhere in between
- Availability to work weekend shifts (Saturday and/or Sunday) – these fill quickly!
- Herbal medicine and/or bodywork a plus
- Interest in fertility and/or pain management a plus
- Responsible, independently motivated, good attention to detail, friendly, open to learning and passionate about Chinese/East Asian medicine
- Enjoy working independently and sharing your personal skills and talents with patients

Join Us to Enjoy:

- An intimate, boutique practice with an exceptional reputation within our community
- Steady patient flow and the ability to fill your schedule quickly
- Competitive split pay and commission on product sales
- A beautifully furnished and supplied treatment room and office
- Appreciation for your personal skills and nurturing of your abilities
- Flexible scheduling and long-term growth opportunities

- On-site herbal pharmacy and happiness to discuss herbal formulas
