

Job Title: Licensed Acupuncturist / Doctor of Chinese Medicine

Company: Healing Together Counseling & Wellness

Location: [Weaverville, NC/Telehealth]

Position Type: Independent Contractor (1099)

About Us

Healing Together Counseling & Wellness is a well-established practice with a strong focus on a holistic approach to mental health and wellness. We are seeking a skilled, collaborative acupuncturist to join our integrated wellness team. If you are independent, organized, reliable, and appreciate professional systems aligned with holistic care, you will find a supportive home in our practice.

We actively assist our clinicians with patient acquisition, comprehensive administrative support, a streamlined electronic medical records (EHR) system, and insurance paneling.

Core Responsibilities

- **Patient Assessments:** Conduct thorough clinical assessments, physical examinations, and medical history reviews to evaluate diverse health conditions.
- **Treatment Planning:** Develop and implement individualized, evidence-based treatment plans targeting acute pain, chronic pain, and musculoskeletal issues.
- **Clinical Procedures:** Perform acupuncture utilizing strict sterile aseptic techniques to ensure complete patient safety and infection prevention.
- **Advanced Modalities:** Apply trigger point therapy and other advanced physical modalities to manage pain and relieve muscle tension effectively.
- **Holistic Education:** Educate patients on the benefits of acupuncture, lifestyle modifications, dietary changes, and self-care practices to support long-term wellness.
- **Natural Medicine:** Recommend and prescribe natural remedies—including herbal, mineral, and animal extracts—to stimulate the body's innate healing capacity.
- **Interdisciplinary Collaboration:** Work closely with mental health clinicians and support staff to coordinate comprehensive, holistic patient care strategies.

- **Compliance & Documentation:** Maintain accurate, timely documentation of clinical observations, treatments, and patient progress within the EHR in accordance with regulatory standards.
- **Professional Growth:** Maintain strict compliance with state and federal health laws, safety protocols, and ongoing professional development requirements.

Requirements & Qualifications

- Valid state licensure as a Licensed Acupuncturist (L.Ac. / Dipl.Ac. / DAOM).
- Active certification from an accredited national licensing board (NCCAOM).
- Active professional malpractice insurance (or immediate willingness to obtain it before providing care).
- Prior clinical experience managing acute/chronic pain and performing physical examinations is highly preferred.

How to Apply

Interested candidates should submit a current resume via email to **melissa@healingtogethercounseling.org**. Please include "Acupuncturist Application" in the subject line.
