

Raleigh Acupuncture Associates is Hiring Licensed Acupuncturists

Raleigh Acupuncture Associates is looking for a talented, compassionate licensed acupuncturist to join our team. If you love treating patients and want to work in a supportive, well-established clinical environment, we'd love to hear from you. For those searching for acupuncture jobs in Raleigh, NC, this is a rare opportunity to do meaningful, hands-on work without the overhead, marketing pressures, or administrative burdens of running your own clinic. You focus on healing—we handle the rest.

Great for seasoned practitioners looking for steady, part-time work, or younger acupuncturists just starting out.

About Raleigh Acupuncture Associates

Founded in 2005, Raleigh Acupuncture Associates is one of the longest-running and most respected acupuncture clinics in the Raleigh area, consistently ranking at the top of organic Google search results. We serve patients from across the Triangle and beyond, offering a steady flow of new and returning patients, a peaceful treatment environment, and reliable administrative support—so you can focus on what matters most: exceptional patient care.

Over the past twenty years, we've earned hundreds of five-star Google reviews—every single one unsolicited. Our patients are loyal, highly engaged, and quick to recommend us to friends and family. That trust has built a strong, steady flow of new patients who seek us out long before they explore other options in the Triangle. For a practitioner joining our clinic, it means you enter a community that already believes in the care we provide.

What We Offer

- Competitive, market-standard split with all supplies, marketing, billing, and scheduling provided
- Strong existing patient volume that ensures immediate income
- An established patient base with high demand and excellent retention
- The ability to treat as many patients as your schedule allows
- A stable, professional clinic with clear systems and clinical continuity
- A supportive, team-oriented environment dedicated to high-quality care

What We're Looking For

- A North Carolina-licensed acupuncturist in good standing
- Someone reliable, ethical, personable, and clinically skilled
- A practitioner comfortable treating a wide range of conditions
- Someone who genuinely enjoys patient interaction and wants to grow
- A team player who values communication and professionalism

Why Practitioners Love Working Here

- No overhead. No marketing costs. No financial risk.
- Predictable scheduling and consistent patient flow.
- A clinic culture that respects practitioner autonomy and prioritizes patient experience.
- A trusted reputation in the Raleigh community built over two decades.

If you're exploring acupuncture jobs in Raleigh, NC and the Research Triangle, this is a unique opportunity to practice successfully without the pressure of running your own business.
